

Dear :

The College remains vigilant of developments in the COVID-19 file. The government has now updated signage for posting in a health professionals office. It can be found at http://www.health.gov.on.ca/en/pro/programs/publichealth/coronavirus/docs/2019_signs_EN_patient_s.pdf.

The College will attempt to keep you up-to-date on COVID -19 matters that may directly affect your practice. However, since the situation is in a constant state of flux and change, it is very important that you personally visit the Public Health website regularly at: http://www.health.gov.on.ca/en/pro/programs/publichealth/coronavirus/2019_guidance.aspx.
