

## COLLEGE OF CHIROPODISTS OF ONTARIO

*Regulating Chiropodists and Podiatrists in Ontario*

---

September 18, 2019

Dear Member:

As you will recall, on May 30, 2019, the College received a letter from Christine Elliott, Deputy Premier and Minister of Health, asking the College to amend our drug regulation to reflect categories of drugs. The College's draft Regulation must be submitted to the Ministry for her review no later than December 31, 2019. The College has been working with the Ministry since the letter was received. On September 13, 2019, by way of a Special meeting, Council approved the proposed amended Regulation for circulation for 60 days.

In order to assist you in your review of the amended Regulation, we have attached the following documents in the order they appear above:

1. A briefing document that describes the changes that are being proposed;
2. A clean copy of the proposed amended draft Regulation;
3. A comparison copy of the proposed amended draft Regulation;
4. The current Regulation [the drug regulation is embedded in our General regulation. The entire Regulation has been included but only the amendments relating to drugs and substances needs to be reviewed]; and
5. The full AHFS Pharmacologic-Therapeutic Classification System upon which the amendments to the Regulation are based.

Please send your comments to [fsmith@cocoo.on.ca](mailto:fsmith@cocoo.on.ca). We look forward to your input which must be received in our office no later than **5:00 p.m. on Friday, November 22, 2019**.

Thank you
