

COLLEGE OF CHIROPODISTS OF ONTARIO

INDEPENDENT AUDITOR'S REPORT ON SUMMARY FINANCIAL STATEMENTS

TO THE COUNCIL OF THE COLLEGE OF CHIROPODISTS OF ONTARIO

The accompanying summary financial statements of the College of Chiropractors of Ontario (the "College"), which comprise the summary statement of financial position as at December 31, 2014, and the summary statement of operations for the year then ended are derived from the audited financial statements of the College for the year ended December 31, 2014. We expressed an unmodified audit opinion on those financial statements in our report dated June 19, 2015.

The summary financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of the College.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements in accordance with Canadian accounting standards for not-for-profit organizations.

Auditor's Responsibility

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".

Opinion

In our opinion, the summary financial statements derived from the audited financial statements of the College for the year ended December 31, 2014 are a fair summary of those financial statements, in accordance with Canadian accounting standards for not-for-profit organizations.
