3. Ms. Brown-Vezeau thereby engaged in professional misconduct within the meaning of paragraphs 2 (failing to meet or contravening a standard of practice of the profession), 17 (failing to keep records as required by the

- regulations), (portion of allegation withdrawn) of section 1 of Ontario regulation 750/93 under the *Chiropody Act, 1991*.
4. (portion of allegation withdrawn), (T)here were no prescriptions setting out, among other things, the materials used for manufacturing the orthotics.
 5. For each of these reasons, Ms. Brown-Vezeau thereby engaged in professional misconduct within the meaning of paragraphs 2 (failing to meet or contravening a standard of practice of the profession), 17 (failing to keep records as required by the regulations), (portion of allegation withdrawn) of section 1 of Ontario regulation 750/93 under the *Chiropody Act, 1991*.
 6. Ms. Brown-Vezeau's clinical notes and records are inadequate, in that they failed to include adequate information with respect to:
 - a. patient history,
 - b. examinations and tests,
 - c. consultations,
 - d. clinical findings, assessments and diagnoses,

Decision

Based on the admissions set out in the Agreed Statement of Facts and the Member's admission, the panel finds that the Member engaged in professional misconduct as set out in the Agreed Statement of Facts.

Reasons for Decision

The Panel was satisfied that the facts as admitted to revealed a pattern of poor and inadequate record keeping by the Member. This conduct is contrary to this College's standard of practice, as acknowledged by the Member.

Penalty

The parties filed a Joint Submission on Penalty and Costs, which provided as follows:

The College of Chiropractors of Ontario ("the College") and Pamela Brown-
Vezeau ("the member") agree and jointly submit that the Discipline Committee
make the following order:

1. The member shall appear before the Panel of the Discipline Committee to be reprimanded, the fact of which shall be recorded on the public register of the College.
2. The Panel of the Discipline Committee shall direct the Registrar to suspend the member's certificate of registration for a period of one (1) month, such suspension itself to be remitted in its entirety in the event that the member complies with paragraph 3. In the event that the suspension must be served, it shall commence on a day to be fixed by the Registrar, although such date shall be before December 1, 2013.
3. The Panel of the Discipline Committee shall direct the Registrar to impose a specified term, condition and limitation on the member's certificate of registration requiring that the member successfully complete, at her own expense and to the satisfaction of the Registrar, a record keeping course, or a minimum one day individualized remediation program addressing

record keeping, by no later than October 31, 2013. The course or program must be pre-approved by the Registrar.

4. The member shall pay to the College its costs fixed in the amount of \$5,000.00 within ninety (90) days of the date of the hearing.
5. The member acknowledges that this Joint Submission as to Penalty and Costs is not binding upon the Discipline Committee.
6. The member acknowledges that she has had the opportunity to receive, and has in fact received, independent legal advice.

Penalty Decision

Having considered the Joint Submission on Penalty and Costs and the submissions of the parties, the panel hereby orders as follows:

1. The member shall appear before the Panel of the Discipline Committee to be reprimanded, the fact of which shall be recorded on the public register of the College.
2. The Panel of the Discipline Committee shall direct the Registrar to suspend the member's certificate of registration for a period of one (1) month, such suspension itself to be remitted in its entirety in the event that the member complies with paragraph 3. In the event that the suspension must be served, it shall commence on a day to be fixed by the Registrar, although such date shall be before December 1, 2013.
3. The Panel of the Discipline Committee shall direct the Registrar to impose a specified term, condition and limitation on the member's certificate of registration requiring that the member successfully complete, at her own expense and to the satisfaction of the Registrar, a record keeping course, or a minimum one day individualized remediation program addressing record keeping, by no later than October 31, 2013. The course or program must be pre-approved by the Registrar.

4. The member shall pay to the College its costs fixed in the amount of \$5,000.00 within ninety (90) days of the date of the hearing.
5. The member acknowledges that this Joint Submission as to Penalty and Costs is not binding upon the Discipline Committee.
6. The member acknowledges that she has had the opportunity to receive, and has in fact received, independent legal advice.

Reasons for Decision

The Panel recognized that when a joint submission as to penalty is proposed, it ought to be accepted unless to do so would bring the discipline process into disrepute or the Panel would otherwise be acting contrary to the public interest. In this case, the Panel accepted the proposed penalty as it is within the appropriate range of penalty for this form of professional misconduct – namely, poor and inadequate record keeping.

The Panel considered as mitigating factors the fact that this was the Member's first time before the Discipline Committee and the fact that she agreed to several of the allegations, thereby avoiding the need and expense for a hearing.

The Panel is satisfied that the requirement for re-education of the Member in the area of record keeping is appropriate and will act as both a deterrent for the Member and will ensure ongoing public safety and public confidence in the College's ability to regulate its members.

The Reprimand represents a significant element of the penalty, which will no doubt have an impact on the Member herself and since the fact of the reprimand will be made public, it will also act as a significant general deterrent to the membership of the College

at large.

Waiver of Appeal and Reprimand

At the conclusion of the hearing, the Member waived her right of appeal and indicated a preference that the Panel's order be administered immediately following the hearing. The reprimand was administered accordingly.

I, **Ray Ferraro**, sign this decision and reasons for the decision as Chair of this Discipline panel and on behalf of the members of the Discipline panel as listed below.
