Subject: Tera Goldblatt Announcement

Dear MANAGER,

I'd like to announce that Tera Goldblatt, who has been an employee of the College for a number of years and who is known to many of our members as their main point of contact at the College, will be leaving us this Friday to begin a new adventure with another health regulator. Tera has accepted a new position at the College of Denturists. While we will miss Tera's experience, knowledge and enthusiasm, I want to wish Tera all the best as her next chapter unfolds. I also want to express my thanks to Tera, on behalf of the College, for all of her work in helping the College to fulfill its important mandate of protecting the public. You can reach Tera at her College email address until this Friday, December 10, 2021.
