Subject: 2023 Registration Renewal - NOW OPEN

Dear Member,

Registration renewal is now open and will remain open until February 14, 2023.

There are few items of note for 2023 registration renewal,

1. The increased cost of living has had an impact on all of us in 2022, and your renewal fees are not protected from this impact. In accordance with Article 4.03.1 of Bylaw No. 2: Fees, registration fees have increased to \$1940; this amount reflects the consumer price index as of July 31, 2022 and rounded to the nearest ten dollars.
2. Payment of registration fees via credit card (VISA, Mastercard) will include a \$35.00 processing fee. This fee was approved by Council at its October 28, 2022 meeting. Fees can be paid using other payments methods such as cheque or e-transfer. We ask for your patience as there may be lengthier processing times depending on the form of payment and volume of payments being processed at a given time.
3. The online renewal form includes a new declaration item relating to conflicts of interest. Please review the College's policy to determine your appropriate response to this declaration. <https://cocoo.on.ca/conflict-of-interest-policy/>.
4. In previous years, registrants received a small, coloured sticker to affix to their certificate of registration; this practice was discontinued in 2019. For 2023, we are introducing a new feature that will allow registrants to download a confirmation of renewal certificate that can be displayed in your office or saved for your records.

If you have any questions during the renewal process, please do not hesitate to contact me directly at chickey@cocoo.on.ca or my colleague, Stanley Huang at shuang@cocoo.on.ca

Sincerely,
