

COLLEGE OF CHIROPODISTS OF ONTARIO
INDEPENDENT AUDITOR'S REPORT ON SUMMARY FINANCIAL STATEMENTS

TO THE COUNCIL OF THE COLLEGE OF CHIROPODISTS OF ONTARIO

Opinion

The summary financial statements of the College of Chiropractors of Ontario (the "College"), which comprise the summary statement of financial position as at December 31, 2020, and the summary statement of operations for the year then ended, are derived from the audited financial statements of the College for the year ended December 31, 2020.

In our opinion, the accompanying summary financial statements are a fair summary of the audited financial statements of the College for the year ended December 31, 2020, except that information in respect of changes in net assets and cash flows has not been presented and notes to the summary financial statements have not been prepared as further described in the *Summary Financial Statements*.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements of the College and the auditor's report thereon. The summary financial statements and the audited financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited financial statements

The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated October 29, 2021.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements in accordance with Canadian accounting standards for not-for-profit organizations, except that information in respect of changes in net assets and cash flows has not been presented and notes to the summary financial statements have not been prepared.

Auditor's Responsibility for the Summary Financial Statements

Our responsibility is to express an opinion on whether the summary financial statements are a fair summary of the audited financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".
